- MEGACLEAN CLEANER
- MEGACLEAN PRE-SATURATED WIPES
- NOVACLEAN FLOOR CLEAN
- NOVACLEAN LAB & GLASS CLEAN
- NOVAHOL CLEANROOM CLEANER

Your Cleanroom's Worth It

Optimum surface cleanliness in any controlled environment is key. The range of cleaners developed by Micronova include general purpose cleanroom cleaners which can claim low ion levels and fine filtration, and aggressive formulas to deal with heavy-duty stains.

NOVACLEAN™ FLOOR CLEAN

Cleanroom Detergent for Floors, Walls & Ceilings

NovaClean floor clean is an all-purpose cleanroom cleaner which is filtered down to 0.1 microns. At the suggested dilution, the formulation can claim sodium and potassium levels detectable only in parts per billion.

The low-ionic formulation will not generate a static charge. With little or no residue build-up, the cleaner will not affect the efficiency of conductive flooring.

Easy and economical to use, **NovaClean** floor clean is a concentrate which will yield 60 to 128 gallons of cleaner per gallon container.

Features

- Filtered to 0.1 Microns
- Bio-Degradable
- Low Sodium
- Free Rinsing

Part Numbers:

NC1-Q	Quart
NC1-G	Gallon
NC1-5G	5 Gallon

NOVAHOL™ CLEANROOM CLEANER

High Evaporation Rate for Quick Drying

This ready-to-use formulation offers the same fine filtration and low ionic levels of **NovaClean** with the addition of Isopropyl Alcohol to speed dry time.

NovaHol is available in an easy-to-use quart size spray bottle and can be applied directly to the surface being cleaned. Gallon refill bottles are also available.

With its extremely high evaporation rate, **NovaHol** is ideal for cleaning glass, acrylic, vinyl curtains and stainless steel surfaces.

Features

- Filtered to 0.1 Microns
- Ready-To-Use
- Low Sodium
- Fast Drying

Part Numbers:

NH1-Q	Quart
NH1-G	Gallon

NOVACLEAN™ LAB & GLASS CLEAN

Cleanroom Detergent for Work Stations & Glass

A ready-to-use formulation which mirrors the fine filtration and low ionic properties of the NovaClean floor clean.

NovaClean Lab & Glass Clean is available in an easy-to-use quart size spray bottle and can be applied directly to the surface being cleaned. Gallon refill bottles are also available.

NovaClean Lab & Glass Clean offers a viable non-solvent option for cleaning acrylic, stainless steel and painted surfaces.

Features

- Filtered to 0.1 Microns
- Bio-Degradable
- Low Sodium
- Ready-To-Use

Part Numbers:

NC2-Q Quart
NC2-G Gallon

MEGACLEAN™ HEAVY-DUTY CLEANER

The Safer Alternative to Toxic & Flammable Solvents

MegaClean cleaner is a solution which offers an effective alternative to toxic and flammable solvent-based cleaners, such as acetone and isopropyl alcohol.

The non-flammable, bio-degradable formulation is an ideal spot cleaning solution and easily removes grease, adhesives and photo-resist stains from most surfaces. Filtered to 0.1 microns, it is geared to semiconductor, electronics and aerospace operations where regulations on ozone-depleting compounds have led engineers to look for effective replacements.

Features

- Filtered to 0.1 Microns
- Water Soluble
- Non-Flammable
- Effective at Low Concentrations
- Bio-Degradable

Part Numbers:

MC1-Q Quart
MC1-G Gallon
MC1-5G 5 Gallon
MC1-55G 55 Gallon

MEGACLEAN™ PRE-SATURATED WIPES

Convenient, Ready-To-Use Individual Wipes

These pre-saturated wipes offer the high powered cleaning strength of MegaClean cleaner in a heavy-duty polypropylene wipe.

MegaClean wipes can be used to pre-treat and pre-clean heavy duty stains such as grease, photo resist and adhesive residue prior to general cleaning.

The pop-top canister carries twenty 10" x 10" polypropylene wipes.

Features

- Sturdy Polypropylene Wipe
- Water Soluble
- Re-sealable Canister
- Effective 'Spot' Cleaning
- Dry Waste

Part Number:

MC1-C20 20 Count Canister

Cleanrooms and controlled environments the world over have come to rely on Micronova to provide the right products for their critical cleaning needs. With several U.S. Patents in place and others pending, our research team continues to develop the products that set the standard in cleanroom maintenance. At Micronova, we understand the necessity of meeting stringent production requirements with the highest level of control. It's our job.

Where quality is imperative. Call Micronova.
